SAPN/Enerven EA Protected Action Ballot

The SBU Protected Action Ballot Process is under way. These are the dates that you need to know so that you can participate in the Ballot.

- Ballot Opening - 10:00am ACDT Monday 15/03/2021
- Ballot Closes - 10:00am ACDT Wednesday 24/03/2021

We are using the same balloting company that SA Power Networks has used, The Australian Election Company (AEC), for the recent EA votes, so the process will be the same except for the number of questions that you are asked to answer in the ballot.

There will be 12 questions on the Protected Action Ballot. Each of these represents an action.

We are advocating that all members vote YES to all action questions.

You should have received the first notification from the Balloting Agent (AEC) on the 10th of March, this lays out the process and the action questions.

It is vital that all members participate in the ballot to send a message to management that they are invested in these negotiations. This, accompanied, with YES to every question will send another clear message ready for when we return to the bargaining in the next meeting on the 23rd of March.

This Monday, Vote Yes and check that your workmates have voted yes too.
