UMPL Enterprise Agreement Update 18-06-21

Your Union bargaining representatives met with Utilities Management Pty Ltd (SAPN/Enerven) yesterday (17 June 2021) to try and resolve negotiations for a new Enterprise Agreement.

Unfortunately, UMPL is maintaining its unprecedented and radical agenda to cut wages and allowances for Enterprise Agreement covered employees. The company is seeking to implement a two-tiered wage arrangement which would severely undermine the wages and job security of current SAPN and Enerven employees.

Your SBU reps advised UMPL prior to the meeting that we cannot endorse, *and will actively campaign against*, any proposal that reduces the wages, allowances or job security of Union Members. UMPL's latest offer does all three.

You can access the current position of the company and the SBU via this [LINK](#).

The SBU Unions are now calling on ALL Union Members. Your wages and job security are under attack, it's time to stand up and fight back!

The SBU is asking ALL Union Members to participate in a four or eight hour strike on the 1st of July 2021 – the week in which you should be receiving an Enterprise Agreement pay increase.

We need ALL Members to exercise their rights, use your power and participate. It seems we are not going to win this fight by just talking, actions speak louder than words.

We will be holding a public rally on the 1st of July 2021 to send a strong message to UMPL management and our community. We need YOU to be there with as many of your workmates, family and friends that you can bring along.

Download the rally flyer [HERE](#) – print it out and circulate it far and wide.

We are expecting a huge turnout, media coverage and we have some surprises in store!

SAME WORK, LESS PAY, WE SAY, NO WAY!
