

Utilities Management EA

Work Stoppage (Strike) notified to UMPL for Thursday 11-11-2021

On Wednesday the 3rd of November, the SBU notified UMPL of industrial action that will be happening on Thursday the 11th of November.

The following Industrial actions were notified for the 11th of November:

- A 4 hour stoppage on the performance of work, commencing at the start of ordinary hours on the 11th of November 2021. (except for emergency situations)
- An 8 hour stoppage on the performance of work on the 11th of November 2021. (except for emergency situations)

The work stoppage has been notified to aid in the Unions of the SBU holding a Mass Meeting with members in relation to the UMPL EA. We are advocating a single Enterprise Agreement, as endorsed by our members and at the mass meeting we will be asking for direction on how we can best achieve this goal in a timely fashion.

It is important that as many members attend this Mass Meeting as possible.

Only union members can participate in industrial action, so now is the time for all UMPL employees to join their union so they can join in the action and voice their opinion.

Work Stoppage Details
